

ENGLISH COMPREHENSIVE COURSE

BASIC

INTRODUCTION

English language courses are designed to improve your communication skills by emphasizing grammar, vocabulary, and pronunciation. Proficiency in English is crucial for success in fields such as business, teaching, and writing. Our course is specifically tailored to help you acquire practical English skills that can be applied in real-world situations and to build the confidence to use them effectively. The course is interactive and conducted in a group setting to enhance the learning experience.

COURSE OBJECTIVES

- To enable the learners to improve fluency in different communicative contexts (both professional and everyday)
- To enhance the ability to communicate effectively in real-life situations by practicing speaking skills.
- To develop a comprehensive grasp of the rules and structure of English grammar.
- To research and develop effective strategies aimed at enhancing the ability to understand, interpret, and effectively communicate through reading, speaking, and listening.
- To develop a compelling style in both speech and writing and effectively utilize language tools for communication.

COURSE OUTCOMES

1. Proficient reading comprehension of English texts through active listening and engagement with teacher-led instruction.
2. Acquisition of language rules and subconscious assimilation to discern language structure and usage.
3. Proficiency in composing well-structured paragraphs, essays, and letters.
4. Ability to analyze the intricacies of language and apply them effectively in competitive examinations, as well as in professional speaking and writing engagements.
